Objectives and investment policy

The Sub-Fund is actively managed and will seek to outperform the Benchmark Index, The ICE BofA Asian Dollar Investment Grade Index over the medium to long term on a total return basis. The sub fund intends to achieve this by:- Investing at least 70% of assets in investment grade debt securities denominated in US Dollar and issued by Asian Pacific issuers;- Investing up to 30% of assets in sub-investment grade or unrated debt securities with a suitable risk-reward profile (as assessed by the Investment Manager).The Sub-Fund is actively managed in order to capture opportunities in debt securities issued in the Asian Pacific fixed income market, by mainly investing in securities that are part of the Benchmark Index universe. As part of the investment process, the Investment Manager has broad discretion over the composition of the Sub-Fund's portfolio and can take exposure to companies, countries or sectors not included in the Benchmark Index or take different positioning in terms of duration, geographical allocation and/or sector or issuer selection compared to the Benchmark Index, even though the Benchmark Index constituents are generally representative of the Sub-Fund's portfolio
